

Rated A+ (Superior) by the A.M. Best Co.

A new truck insurance market built on the quality heritage of the Northland Insurance Group, AESIC is designed to provide coverage opportunities for the harder-to-place trucking risk.

The program is designed for Owner/Operators and small fleets who haul for hire within any radius of operations.

Coverages: *Liability, Physical Damage, Cargo and General Liability*

Target Account Size: 1-35 power units

They will consider a slightly larger fleet if it fits the desired profile.

Target Operations:

- Younger drivers (a minimum of 23 years of age) with 2 years CDL experience.
- Over 25 years of age with driving record issues
- Hazardous Materials Haulers
- Intermodal Haulers

Claims/Loss Control:

AESIC is supported by Loss Control and Claims specialists from Northland Insurance.

Territory: CO, IA, ID, IL, IN, KS, MI, MN, MT, OH, SC, TN, WI
