Bodily Injury Uninsured Motorists Coverage provides insurance protection to an insured for compensatory damages which the insured is legally entitled to recover from the owner or operator of an uninsured motor vehicle because of bodily injury caused by an automobile accident. Also included are damages due to the bodily injury that result from an automobile accident with a hit-and-run vehicle whose owner or operator cannot be identified.

Unless rejected, or unless you select limits equal to the Bodily Injury Liability limits or Combined Single Limit for Liability Coverage of the policy, your policy must include Bodily Injury Uninsured Motorists Coverage at limits not less than the minimum limits required by Colorado law of: (1) split limits of \$25,000 for each person, subject to \$50,000 for each accident with respect to bodily injury; or (2) a single limit of \$50,000 for each accident.
