**NORTH CAROLINA**

INSURED: \_\_\_\_\_

POLICY NO: (IF APPLICABLE) \_\_\_\_\_

Uninsured Motorists Coverage (UM) and Combined Uninsured/Underinsured Motorists Coverage (UM/UIM) and coverage options are available to me. I understand that:

1. The UM and UM/UIM limits shown for vehicles on this policy may not be added together to determine the total amount of coverage provided.
2. UM and UM/UIM bodily injury limits up to \$1,000,000 per accident are available.
3. \*UIM must be provided only when the policy's bodily injury liability limit exceeds the minimum financial responsibility amount and the policy affords UM coverage in an amount not less than the financial responsibility amount for bodily injury.
4. UM property damage limits up to the highest policy property damage liability limits are available. Coverage for property damage is applicable only to damages caused by uninsured motor vehicles. Property damage coverage is subject to a \$100 deductible.
5. My selection or rejection of coverage below will apply to any renewal, reinstatement, substitute, amended, altered, modified, transfer or replacement policy with this company, or affiliated company, unless a named insured makes a written request to the company to exercise a different option.
6. My selection or rejection of coverage below is valid and binding on all insureds and vehicles under the policy, unless a named insured makes a written request to the company to exercise a different option.
