

REJECTION/SELECTION OF UNINSURED MOTORISTS COVERAGE
NEW MEXICO

INSURED: _____

POLICY NO.: (IF APPLICABLE) _____

New Mexico Statutes, Section 66-5-301, provides that each automobile liability insurance policy issued or delivered in the state with respect to any motor vehicle registered or principally garaged in the state, shall provide uninsured motorists coverage. This coverage offers protection to persons insured under this policy should they suffer bodily injury or death or property damage caused by an uninsured motor vehicle or a hit and run driver. Uninsured motorists coverage also applies where an insured is legally entitled to recover from the operator of a motor vehicle whose insurance limits are lower than the insured's uninsured motorists coverage limits in this policy. (This is known as underinsured motorist coverage).

However, pursuant to the statute, the named insured has the right to reject uninsured motorists coverage. Such rejection is binding upon all who are insured by the policy. The rejection applies to renewals of this policy unless the named insured later requests such coverage in writing.

The undersigned named insured: (Mark "X" in appropriate box)

- hereby rejects uninsured motorists coverage.
- hereby purchases uninsured motorists coverage, bodily injury and property damage, in the combined single limit of \$ _____ .
(Minimum Limit \$60,000) (Maximum Limit - Policy Limits)
Property Damage is subject to a \$250 deductible.

Note: If you do not reject uninsured motorists coverage, or do not select an amount of coverage, uninsured motorists coverage will be provided in the minimum amount set out above and if the named insured is designated as an individual and you have not rejected Uninsured Motorists Coverage, your Uninsured Motorists Coverage will provide for intra-policy stacking unless you also sign the Waiver of Intra-Policy Stacked Uninsured Motorists Coverage on the following page.

**WAIVER OF INTRAPOLICY STACKED
UNINSURED MOTORISTS COVERAGE**

If the named insured is designated as an individual and you have elected to purchase Uninsured Motorists Coverage, you have the option to reject intra-policy stacked Uninsured Motorists Coverage and to purchase non-stacked Uninsured motorist Coverage. By rejecting stacked Uninsured Motorists Coverage, your Uninsured motorists Coverage limits will be the limits reflected in the Declaration page of the policy.

By signing this waiver, I am knowingly and voluntarily rejecting stacked Uninsured Motorists Coverage and I am therefore electing to purchase non-stacked Uninsured Motorist Coverage.
