POLICY NO. (IF APPLICABLE) \_\_\_\_\_

Oregon revised Statutes, Section 742.502, mandates that every motor vehicle liability policy provide uninsured/underinsured motorist coverage at limits equal to the Bodily Injury Liability Limits of the policy. This coverage is available to an insured who is legally entitled to recover from the owner or operator of an uninsured/underinsured motor vehicle.

The statute also requires that the insured be given the option to select limits lower than the policy bodily injury liability limits, but not lower than the limits required by the Oregon Financial Responsibility Law of \$50,000 combined single limit.

The selection of lower limits is binding when there is a change in the number of vehicles insured under the policy, or when the policy is amended, renewed, modified, or replaced by the same company. Your selection shall remain in force until rescinded in writing or the bodily injury limits are changed.

The under signed named insured hereby selects the Uninsured Motorist Coverage limit indicated below.
