UTAH**

**POLICY NO.:** (IF APPLICABLE) \_\_\_\_\_

Utah Code Annotated, Section 31A-22-302-305, provides that each motor vehicle liability policy issued or delivered in the state with respect to motor vehicles registered or principally garaged in the state must provide uninsured and underinsured motorists coverage at limits equal to the insureds bodily injury liability limits. Uninsured and Underinsured motorist coverage provides coverage for covered persons who are legally entitled to recover damages from owners or operators of uninsured or underinsured motor vehicles because of bodily injury, sickness, disease or death.

However, pursuant to the statute, the named insured has the right to reject uninsured or underinsured motorists coverage or to select a lower limit, but not less than the financial liability limit of \$65,000 for uninsured motorist coverage or \$20,000 for underinsured motorists coverage. Such rejection or selection of a lower limit is binding upon all who are insured by the policy. The rejection or selection of a lower limit applies to subsequent renewal policies, as well, unless the named insured requests such coverage in writing.

**NOTE: As required by statute, a premium will be displayed for the maximum uninsured and underinsured motorists coverage or your policy's bodily injury liability limit, whichever is less.**
