**UNINSURED MOTORISTS COVERAGE**

Uninsured Motorists Coverage provides protection against damages for bodily injury which an insured is legally entitled to recover from the owner or operator of a motor vehicle for which there is no bodily injury liability insurance providing at least the minimum limits required by Wisconsin law, whose insurer denies coverage or is or becomes insolvent, is a hit and run vehicle, or is an unidentified motor vehicle involved in an accident which does not hit another vehicle, provided that an independent third party provides evidence in support of the unidentified motor vehicle's involvement in the accident. Refer to your policy for the prevailing coverage provisions.

In accordance with the laws of Wisconsin, your automobile liability or motor vehicle liability policy shall automatically include Uninsured Motorists Coverage in the Minimum Financial Responsibility limits of \$100,000 each person/\$300,000 each accident, or \$300,000 each accident combined single limit, unless you select optional higher limits as indicated below. The Uninsured Motorists Coverage limits will be either split (each person/each accident) or a combined single limit (CSL), consistent with the Bodily Injury Liability limits on your policy.

You DO NOT have the right to reject Uninsured Motorists Coverage.

- I wish to select Uninsured Motorists Coverage limits equal to my policy's Bodily Injury Liability limits.
- I wish to select other limits greater than the Minimum Financial Responsibility limits, but less than my policy's Bodily Injury Liability limits. (Specify limits)
  - \$350,000 each accident (CSL)
  - \$500,000 each accident (CSL)
  - \$750,000 each accident (CSL)
  - \$1,000,000 each accident (CSL)
  - \$ \_\_\_\_\_

Subject to a maximum of three (3) covered autos under your policy, your Uninsured Motorists Coverage automatically includes stacking. Stacking allows you to add together your Uninsured Motorists Coverage limits for each covered auto under your policy in any one accident. Stacking is allowed for Uninsured Motorists Coverage under your policy subject to the maximum of three (3) covered autos.

## UNDERINSURED MOTORISTS COVERAGE

Underinsured Motorists Coverage provides protection against damages for bodily injury which an insured is legally entitled to recover from the owner or operator of a motor vehicle that has insurance providing at least the minimum liability limits required by Wisconsin law, but the amount paid under the applicable policy liability limits is not enough to pay the full amount of the insured's damages.

In accordance with the laws of Wisconsin, your automobile liability or motor vehicle liability policy shall automatically include Underinsured Motorists Coverage in the Minimum Financial Responsibility limits of \$100,000 each person/ \$300,000 each accident, or \$300,000 each accident combined single limit, unless you select optional higher limits as indicated below. The Underinsured Motorists Coverage limits will be either split (each person/each accident) or a combined single limit (CSL), consistent with the Bodily Injury Liability limits on your policy.
